

WELCOME TO THE 9TH INTERNATIONAL YOUTH SCIENCE FORUM «LITTERIS ET ARTIBUS»!

Authors of original papers describing research in the areas corresponding to the scope of our 9 conferences (see overleaf) are invited to participate. Researchers who are yet under 35 on November 21, 2019 are eligible to apply (at least one of the paper co-authors should satisfy this age criteria).

Submitted papers should be laid out in compliance with templates available from the conference website and be written in English in a clear and concise manner.

All applications should be submitted via the Open Review Hub website <https://openreviewhub.org/lea>

Please note that all submitted papers will be a subject of open peer review by at least 2 independent reviewers.

HOW TO APPLY?

- register on <https://openreviewhub.org>
- post an application via the "Litteris et Artibus" website - <https://openreviewhub.org/lea>
- wait for reviews of your paper
- make the necessary corrections according to reviewers' comments (if needed)

All submitted papers will be available on the Forum website immediately after submission as preprints.

Accepted refereed papers will appear on the Forum website as a part of digital **Materials** (ISBN, DOI). Selected papers will be included into the digital **Proceedings** (ISSN, DOI) on the same website. Proceedings will be submitted in Scopus and Web of Science databases in May 2019.

Conference participants will present their work on posters (camera-ready poster layouts should be submitted via the conference website on paper acceptance, organizers will print them on size A1 paper). Selected papers will be presented orally.

CONTACTS

ORGANIZING COMMITTEE LOCATION:

Room 235, Main Building, Lviv Polytechnic National University, 12 Stepan Bandera street, Lviv, Ukraine.

CORRESPONDENCE:

"LEA-2019 Organizing Committee", PO box 6657, 79005 Lviv, Ukraine
Official e-mail: lea.mailbox@gmail.com

CONTACT PERSONS:

Dr. Oleksandr Ivashchuk, Science Forum Secretary
+38 (068) 500-15-57, oleksandr.s.ivashchuk@lpnu.ua

Dr. Oleksandr Berezko, Science Forum Supervisor
+38 (067) 369-80-34, oleksandr.l.berezko@lpnu.ua

CONFERENCE FEES

Conference fees include paper publication and organizational expenses. Cost of accommodation, meals and social program are not included. Total fee per paper (conference fee will be collected for the author of the highest degree and/or affiliation):

Early bird / Standard application:

- International participants – 80 / 100 EUR;
- Participants from Ukraine – 300 / 450 UAH;

Please note that the fee covers the participation in person of the two presented authors only.

DEADLINES

- **July 01, 2019** – deadline for the early bird camera-ready paper and application submission;
- **September 02, 2019** – deadline for the standard camera-ready paper and application submission;
- **September 16, 2019** – notification of paper acceptance or rejection (early bird);
- **October 01, 2019** – notification of paper acceptance or rejection (standard).

November 21–23, 2019
Lviv, Ukraine

International Youth Science Forum consists of 9 academic conferences covering research in different fields of science:

Computer Science & Engineering (CSE-2019)

Information Technology. Software Engineering. Applied and Computational Linguistics. Computer Systems and Networks. Applied Mathematics. Mathematical Modelling and Computational Approaches. Telecommunication Technology, Radio Systems and Devices. Micro-and Nanoelectronics. Information-Measuring Technologies. Metrology, Standardization and Certification. Information Security. World Wide Web and Social Communication.

Geodesy, Architecture & Construction (GAC-2019)

Remote Sensing. Cadastre and Environmental Monitoring. Engineering Geodesy and Geodynamics. Urban Development. Design of Architectural Environment. Architecture of Buildings and Structures. History and Theory of Architecture. Restoration of Buildings, Structures and Works of Art. Architectural Design. Building Construction, Buildings and Structures. Building Materials and Road Construction. Environmental Engineering.

Electric Power Engineering and Control Systems (EPECS-2019)

Electrical Engineering and Technologies. Electromechanics. Automatic Control Systems and Computer Integrated Technologies. Heat-power Engineering. Labor Protection, Social and Personal Safety.

Humanities & Social Sciences (HSS-2019)

Sociology and Social Work. Pedagogy. History, Culture and Museum Studies. Philosophy and Religion studies. Political Science and International Relations. Intercultural Communication. Scientific Discipline of Documentation. Language studies.

Mechanical Engineering, Materials Science, Transport (MEMST-2019)

Modelling, Synthesis, Optimization and Designing in Mechanical Engineering. Materials Science and Surface Engineering. Welding and Related Technologies. Mechanical Engineering Technologies and Materials Processing. Designing, Exploitation and Service of Automotive Machinery. Modelling, Organization and Control of Automotive Transport Processes.

Economics & Management (EM-2019)

Business Economics and Investments. Foreign Trade and Customs. Marketing and Logistics. Management and International Business. Organizational Management. Human Resource Management and Administration. Accounting and Analysis. Theoretical and Applied Economics. Finances. Administrative and Financial Management.

Chemistry & Chemical Technology (CCT-2019)

Organic Chemistry. Technology of Organic Products. Chemical Technology of Oil and Gas Refining. Chemical Technology of Plastics Refining. Chemical Technology of Biologically Active Substances. Pharmacy and Biotechnology. Chemical engineering. Technogenic and Ecological Safety. Chemical Technology of Silicates. Chemistry and Technology of Inorganic Substances. Analytical Chemistry. Physical and Colloid Chemistry.

Law & Psychology (LPS-2019)

Criminal Law and Procedure. Administrative and Information Law. Theory and Philosophy of Law. Civil Law and Procedure. History of Law. Psychology and Pedagogy. Journalism and Mass Communication.

Environmental Protection, Natural Resource Management and Tourism (EcoTour-2019)

Environmental Security and Audit. Environmental Policy. Environmental Protection Management. General and Applied Ecology. Ecological and Geographic Information Systems. Natural Resource Management. Tourism.
