B2B Meetings

Dear Attendees,

We are glad to announce the **2nd International Conference on Neurology and Psychology** to be held in **Rome, Italy on November 18-19, 2019** organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. **Neuroscience-2019** aims at sharing new ideas and technologies amongst the professionals, industrialists and students from research areas of Neurology and Psychology divisions. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. **2nd International Conference on Neurology and Psychology** November 18-19, 2019 at Rome, Italy. This consolidates incite keynote presentations, Oral talks, Poster presentations and Exhibitions.

Sincerely,
Neuroscience-2019
Organizing Committee

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes 
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

Special Issues: All accepted abstracts will be published in respective Conference Series LLC Ltd Journals

Each abstract will be provided with digital Object Identifier by

Neuroscience-2019 Conference website is attracting 25000+ Academicians including Professors, PhD Scholars, Students carrying out laboratory and field studies, Industrial Giants, Physics Societies and the people Associated, Nobel laureates in Professionals, Neurology and Psychology Professionals, Respiratory device companies, Lung Laboratories and Technicians, Research Institutes and members, Supply Chain companies, Manufacturing Companies, Training Institutes, Business Entrepreneurs. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Neuroscience-2019 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Neurology and Psychology, present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

12+ Interactive Sessions

Objectives

After participating in this meeting, attendees should be able to
Discuss emerging issues in Neurology and Psychology divisions
Discuss and apply recent research findings related to Neurology and Psychology divisions
Reflect on the place of critical distance in Neurology and Psychology divisions

Who should attend?

Academicians including Professors, PhD Scholars, Students carrying out laboratory and field studies, Industrial Giants, Physics Societies and the people Associated, Nobel laureates in Respiratory and pulmonary divisions, pulmonology Professionals, Respiratory Professionals, Lung Laboratories and Technicians, Research Institutes and members, Supply Chain companies, Manufacturing Companies, Training Institutes, Business Entrepreneurs.

5+ Keynote Lectures

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

50+ Plenary Lectures

Conference Highlights

- Clinical Psychology
- Behavioral Genetics
- Biological Psychology
- Educational Psychology
- Developmental Psychology
- Applied Behavior Analysis
- Experimental Psychology
- Psychological Testing and Measurement
- Psychological Disorders
- Social Psychology
- Neurology
- Neurogenetics
- Neurobiology
- Neurosurgery
- Neurological Disorders
- Neuroimmunology & Neuroinfectious Diseases
- Clinical Neuroscience
- Cognitive Neuroscience
- Case Studies in Psychology and Neurology

Young Researchers can also participate in this elite congress

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Eligibility

- Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event.
- None of the authors should have senior position or faculty position.
- Participants should be below the age of 33 years.
- Opportunity for young researchers to learn about the research areas of their peers to increase their capacity as multidisciplinary researchers.

Submission

- Each individual participant is allowed to submit only one paper (as first author or co-author).
- All submissions must be in English.
- The chosen topic must fit into sessions of the congress.
- Showcase your research through oral/poster presentations

B2B Meetings

Rome, situated on the banks of Tiber river is the capital city of Italy and capital for Lazio region as well. Over the span of two and half thousand years Rome has become from a small Latin village to Centre of many vast Empires. Rome is one of the oldest continuously occupied empires in Europe making it the Eternal City, with the Reign of Constantine and Bishop of Rome the city has established as the center for Catholic Church. The city is famous for huge catholic churches, Museums, Galleries, Colosseum. Sports, Art and religion are major foundations on which Rome is built. Rome is the major center during Renaissance movement, Piazza del Campidoglio by Michelangelo is one of the major Renaissance architectures. Today Rome is one of the major tourist cities in the world due to innumerable cultural, archeological treasures like huge sculptures, fountains, architecture, Ivory Carvings, Basilicas, Piazzas, parks, Gardens. The Roman Forum, the Domus Aurea, the Pantheon, Trajan's Column, Trajan's Market, the Catacombs, the Baths of Caracalla, Castel Sant'Angelo, the Mausoleum of Augustus, the Ara Pacis, the Arch of Constantine, the Pyramid of Cestius, and the Bocca della Verità.
