VENUE

About Madrid:

Madrid is the capital of Spain and is also known as Villa y Corte. It is the biggest city in the country and the third largest in the European Union with over 3 million inhabitants (more than 6 million in its metropolitan area).

Madrid is known as the city of the “Bear and the Strawberry Tree” (villa del Oso y el Madroño). The nickname comes from the mid-thirteenth century, which according to the legend is a result of a dispute between the Council and the clergymen of the city’s parishes about the right to certain forests and fields. It was resolved by agreeing that the forests belonged to the Council and the meadows to the clergymen. To commemorate the agreement, the Council added a Strawberry tree to the shield of the municipality with a black bear leaning on its trunk. The Government’s headquarters, the Cortes and the official residence of the Kings of Spain are all located in Madrid.

It is located in the centre of the Iberian Peninsula, and is surrounded by mountains and natural parks. Although it is located in the centre of the country, it has traditionally been the hub between different areas of Spain and is therefore connected to all major Spanish cities by train, road or air.

Madrid offers countless things to do, charming neighborhoods and lively parks to explore. Discover the best places to visit, so you don’t miss out on any of Madrid’s top attractions.

Major touristic attractions are Parque de Atracciones, Zoo Aquarium, Prado Museum, Plaza Mayor, Gran Vía, Retiro Park, Puerta de Alcalá, Plaza de Cibeles, Royal Palace, Temple of Debod, Parque Warner, Faunia, Safari Madrid and Santiago Bernabéu.
