

# Dnipropetrovsk International Program Model United Nations 2011

We would like to invite you to the international student conference “**Dnipropetrovsk International Program Model United Nations 2011**” (DIPMUN), which will be held on **August 26<sup>th</sup>-28<sup>th</sup>, 2011** on the base of **State National Mining University in Dnipropetrovsk, Ukraine**.

Our Team and participants of the conference are the representatives of the most active part of society – youth. As young people are the future world leaders we believe that their voices should be heard. MUN gives them a chance to speak up and this can be the perfect start for the future international cooperation. Thus, the purpose of the premiere **Model United Nations in Dnipropetrovsk** is to create a perfect place and atmosphere for debates on global social, economic and political issues. **DIPMUN** is an arena where You are the main defender of the World’s prosperity.

The format of Model United Nations conferences will give you a possibility to take part in simulation of United Nation work and allows to gain valuable insight into its policies and priorities. Participants have a chance to assume roles of the diplomats representing various member-states of the UN and simulate the debates happening in several bodies of the organization, following the corresponding rules of procedure.

**DIPMUN** is supported by the Dnipropetrovsk City and Region Administration, United Nations Office in Ukraine, Ministry of Foreign Affairs of Ukraine and several Non-governmental organizations.

During the conference you have an opportunity to become a delegate to one of the **following committees** and to discuss proposed **topics**:

➤ ***European Council***

Increasing government debt in European Union.

➤ ***Economic and Social Council***

The problem of unemployment reduction as a key factor of the world economic stability.
